

Cannonball Step

design by Italesse

Collo cortissimo, spalle lievemente aperte ma subito discendenti, ampia pancia e base piatta ma a rilievo caratterizzano questa bottiglia, dandole la duplice veste di eleganza e innovazione.

Particularly short neck, slightly open shoulders that immediately descend, wide body and flat bas-relief base characterise this bottle, granting elegance and innovation to it.

Packaging: pallet 100x120 cm
