310 cc

**IT**

**Descrizione**

Un bicchiere che non passa inosservato, altamente tecnico e versatile. L'altezza della coppa e la capacità sono state disegnate per servire grandi classici come il Gin and Tonic, la forma corta dello stelo garantisce temperatura costante e lo rende adatto anche per la birra artigianale. Alto-Ball è perfetto bicchiere per servire l'acqua con grazia ed eleganza

**Colori**

Trasparente, pattern

**Materiali**

Vetro cristallino

**Utilizzo consigliato**

Gin & Tonic, Mojito Classico, Whisky hi-ball, birra, mixers, acqua

**Mercato di riferimento**

Retail, B2B, Ho.re.ca

**Description**

A glass that cannot fail to capture our attention, highly technical and versatile. The height of the bowl and its volume have been designed to serve grand classics such as the Gin & Tonic, whilst its short stem on the other hand guarantees optimum temperature. The Alto-Ball is a sturdy glass that lends itself to serving craft beers and is ideal for presenting water at the table with elegance and style

**Colours**

Transparent, pattern

**Materials**

Crystalline glass

**Use**

Gin & Tonic, Mojito Classico, Whisky hi-ball, beer, mixers, water

**Market**

Retail, B2B, Ho.re.ca
